BROWN TOGETHER

“The Brown Medical Annual Fund is vital for supporting the next generation of outstanding Brown physicians. That is why I’m so proud to support Brown students and faculty through the Dean’s Circle, knowing that these funds ensure the best training for our future leaders in medicine and public health. The Brown medical community is immensely grateful for your philanthropy. Thank you for prioritizing the BMAF in your giving.”

Kavita V. Ernst '93 MD'00

Dean's Circle

Support from members of this BMAF leadership giving society accounts for more than 70% of our yearly fundraising total. They are recognized with events throughout the year that include opportunities to connect with Brown leadership and the students who benefit from their support.
