

Class Leadership Positions and Volunteer Leaders List

CLASS LEADERSHIP POSITIONS

PRESIDENT: The President or Co-Presidents, in conjunction with the class leadership, develop and implement plans for class activities, communications and fiscal responsibility of the class treasury. The Presidential Officers are also responsible for staying engaged with University activities and communications, especially as they may pertain to the class.

VICE PRESIDENT: The Vice President or Co-Vice Presidents, work in conjunction with the President(s) to ensure the success of class activities, facilitate communications, and oversee additional duties not covered by the President(s). The Vice President is also responsible for staying engaged with University activities and communications, especially as they may pertain to the class.

FINANCE: The Finance Officer is responsible for managing the class account, collecting class dues and overseeing class disbursements.

COMMUNICATIONS: Communications Officers are the main conduit of communications for the members of the class, and also with Brown. They develop and manage a class communication strategy while working with the class and the class leadership. They keep the class informed on University and class news through email, Facebook, and other social media. They also ensure that the class website is maintained and regularly updated.

ACTIVITIES: Activities Officers work in conjunction with class leaders to coordinate events on and off campus that would be of interest to members of our class in their particular region. They are encouraged to plan activities to coincide or WRAParound with events on or off campus, and to plan mini-reunions that will attract class members who may not otherwise be able to travel to campus. Officers also work in conjunction with class leaders to help to coordinate class reunion activities, including any activities that may lead up to a successful reunion.

DIVERSITY & INCLUSION: The Diversity and Inclusion Officers are responsible for creating and fostering an open and inclusive environment within class leadership and at class events, ensuring that class engagement initiatives appeal to a diverse audience.

AT-LARGE POSITIONS: At-Large Positions are additional leaders who support class leadership with particular needs of the class under the guidelines established by the Association of Class Leaders and Alumni Relations.

APPOINTED POSITIONS – Additional positions may be filled by the Nominating Committee, the class or appointed by the newly elected class leadership. (i.e. Reunion Chair (s), Reunion Committee, WebMaster)
