LGBTQIA+
Greek Isles & Ephesus
Pillars of Pride

Journey to the cradle of Western civilization and the classical world on this Aegean voyage exploring stories from antiquity. Our seven-night, 5-star cruise to the mythical landscapes of ancient Greece and Turkey brings history to life with a unique itinerary. Join us as the legend of the lost utopian city of Atlantis lives on in Santorini, a crescent-shaped island featuring 1,000-foot-cliffs and a spectacular caldera shaped by a volcanic explosion some 3,600 years ago. Visit the Hellenistic Grand Theater in Ephesus, climb to the acropolis at Lindos, walk the Sacred Way of Delos, and discover ancient Akrotiri—the “Minoan Pompeii.”

Featuring special guest speaker Eric Marcus, Executive Director of Making Gay History and a founding board member of the new American LGBTQ+ Museum in New York City, this exclusive itinerary is filled with the right balance of cultural enrichment, free time to explore at leisure, and opportunities to customize your adventure.
Dear Brown Alum & Friends,

We are excited to bring you our first, LGBTQIA+ community Brown Travelers journey! Featuring guest speaker Eric Marcus, host of the award-winning Making Gay History podcast and founding board member of the new American LGBTQ+ Museum in New York City, this journey takes you to some of the most world-renowned beaches, legendary nightlife, and iconic sites of the classical world.

Explore the Greek Islands and Ephesus along with fellow alums, family and friends aboard the exclusively chartered, 5-star Le Bougainville. This gorgeous small ship has only 92 Suites and Staterooms, each with a private balcony, and is able to stop in small ports of call inaccessible to larger vessels. Our seven-night itinerary calls on Mykonos, Santorini, Crete, and, Rhodes—destinations steeped in sun, fun, and history. Sail Turkey’s fabled coast to visit Ephesus, the most spectacularly preserved Greco-Roman city in the world. And even extend your trip to the beautiful Aegean with the optional pre-program and post-program add-ons in Athens and Delphi!

I am looking forward to joining you on our inaugural LGBTQIA+-focused trip. And of course our friends, families and allies are welcome to explore along with us! This trip is an excellent value where all accommodations, meals, and lectures are included — and you only need to unpack once. Make your reservations while space and early booking savings are still available. We will share this departure with alumni and friends from several other institutions, so I encourage you to reserve now. See you in the Aegean!

Three-and-a-half decades ago, Eric Marcus left his job at CBS Morning News to pursue a passion project that would change his life and countless others who have been affected by his work. Having been commissioned to bring the history of the LGBTQ+ civil rights movement to life through the voices of the people who lived it in an oral history book, Marcus began interviewing both known and long forgotten people who contributed in some way to the movement. His conversation with activist Barbara Gittings (shown above with Marcus in 1989) became part of the original 1992 edition of Making Gay History, which has evolved into a podcast and a nonprofit educational organization of the same name. Today, Marcus serves as Executive Director and uses his podcast platform to ensure these firsthand stories of struggle and triumph are shared with future generations. He is also the author of ten other books, and is a founding board member of the new American LGBTQ+ Museum in New York City.
Unlock Stories From Antiquity

From the lyrical poetry of Sappho to Greek mythology, stories of same-sex love were not uncommon in the classical world. And yet, much of the LGBTQ+ history from those ancient times and beyond has been suppressed by a culture of intolerance. Our exclusive itinerary, developed in partnership with the American LGBTQ+ Museum in New York City, features tours of historic sites from a more enlightened perspective. Eric Marcus, a founding board member of the museum and the founder and host of the award-winning *Making Gay History* podcast, will also speak on board about the history of the LGBTQ+ civil rights movement in the U.S. Join us as we see this part of the world with a different lens, honoring voices from the past and creating meaningful connections for a brighter future.
