A 7-DAY WINTER WONDERLAND ADVENTURE

BROWN

Dear Brown Alumni & Friends,

Please join us on an extraordinary winter adventure: a seven-day wildlife expedition to Yellowstone—North America's best wolf-watching habitat.

Dressed magnificently with frost and snow, and with visitors few and far between, experience an ecosystem when its beauty is more untouched by the outside world than any other time of the year. Hushed and magical landscapes are the setting for steaming geysers, trees covered in ice crystals, and the movements of bison, elk, pronghorn, bighorn sheep, and other wildlife—followed closely by the park's wolves.

Safari aboard custom vehicles with expert naturalists as we explore and learn about the animals, environment, hydrothermal activity, and history of the park. Enjoy a private sleigh ride through the National Elk Refuge and meet an award-winning wildlife photographer for a presentation during a visit to his gallery. Each evening, overnight in atmospheric hotels and a park lodge.

Our rates for Brown Travelers represent a savings of more than \$1,000 per couple over the rate that would be charged to non-affiliated passengers.

Please reserve by calling (866) 639-0079 or by returning the enclosed reservation form.

Sincerely,

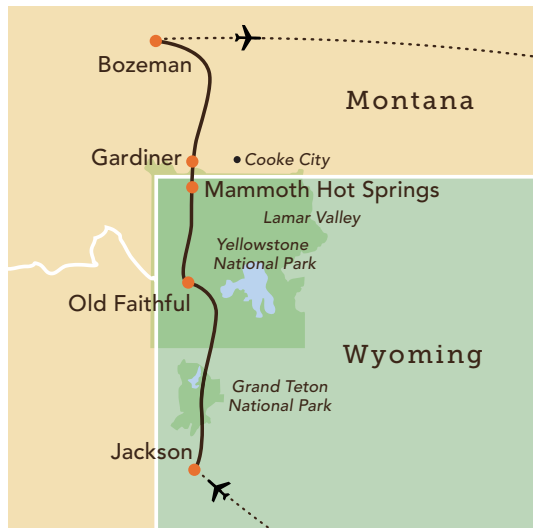

Zack Langway '09  
Vice President, Alumni Relations

**Brown Faculty Lecturer**

On this program, a Brown faculty member will accompany our group, adding a unique and memorable perspective. The faculty lecturer will design and present an informative educational program, including lectures, discussions and suggested advance readings. As this brochure goes to press, the faculty member who will accompany this trip has not yet been confirmed, but we wanted to mail the brochure in time for you to participate. Brown Travelers often cite the faculty member's participation as the best aspect of the trip and the reason they continue to travel with Brown. A minimum number of participants is required to secure a Brown Faculty Lecturer.
